

## **Safety Guidelines for our lagoon and sea**

Your safety and wellbeing is our number one priority so please take a moment to read through our guidelines carefully.

- \* Our lagoon gets very deep very quickly.
- \* Swimming times 8am - 6pm. You swim at your own risk outside of these times.
- \* Please be careful of sharp shells on our lagoon wall and in the shallow water.
- \* Please try not to swallow the lagoon water, water quality may vary from time to time.

### **NON SWIMMERS**

- \* Please do not enter the water or the canoe without a life jacket on.
- \* Please do not enter the sea even if you are wearing a life jacket.

### **WEAK SWIMMERS**

- \* Please do not enter the water or the canoe without a life jacket on.
- \* Please do not enter the sea even if you are wearing a life jacket.

### **STRONG SWIMMERS**

- \* Please do not enter the sea. If you do you enter at your own risk. There are very strong rip currents!!

Many thanks,
